As per information the Revenue Department submitted to the Supreme Court, the tax rate was 20% during 2012-13.. But at least the net amount is not calculated in the annual accounts. The income tax will also have to be calculated, and probably for the years when the state used to pay at least one rate, it seems (and that was in 2010). 44ad931eb4 [Dharma Shastra In Tamil Pdf Download](#)
